Outer East Activity Guide

CHAOS

Version 4 . May 2022

ABOUT CHAOS

There are 31 Community Houses in the Community Houses Association of the Outer Eastern Suburbs. From Whitehorse to Yarra Ranges they exist in most communities as a place for learning, support and recreation. The events in this brochure are just the free and low-cost offerings at each House. Why not check their websites for more information or email CHAOS – chaos000@bigpond.com.au.

In addition to the activities listed below Community and Neighbourhood Houses offer:

- Family and children's activities
- Volunteering opportunities
- A welcoming place to sit and have a cuppa

WHAT IS A COMMUNITY HOUSE?

Community Houses are the heart of our communities. They bring people together to connect, learn and contribute to their local community through social, educational, recreational and support activities.

Also commonly known as community centres, learning centres, neighbourhood houses or neighbourhood centres, these inclusive community-based organisations welcome people of all ages, abilities and walks of life, creating opportunities for people to enrich their lives through connections they might not otherwise make.

Please contact the Community House prior to attending as bookings may be required. Many of these programs run only during school terms. Please note that some Community Houses charge a small annual membership fee to access their programs or require you to pay by the term or semester.
